### Size Us Up

In order to work out the correct size, please measure yourself or your child and check these measurements against the sizing charts shown below.

HEIGHT - Please measure the top of head to the ground (without shoes).

CHEST - Please measure around the fullest part of the chest.

WAIST - Please measure the natural waistline, just above the hipbone.

HIP - Please measure around the fullest part of the seat.

When measuring please do not pull the tape measure too tight.
